

Mayor of London and London Assembly Elections 5th of May 2016.

Don't waste your right to Vote!

What are these elections and why should you vote?

There are many areas of London life that are affected by the work of the Mayor of London and the London Assembly, such as policing, transport, housing, planning and the environment.

The London Assembly acts as the eyes and ears of Londoners at City Hall. It holds the Mayor to account by examining his/her actions to make sure they are in the public interest.

It is important for all Gypsies, Travellers and Roma, living in London, to vote in these Elections so that those candidates and political parties, who support issues important to GTR communities, will be the ones who are making the decisions.

For example, in 2015 Greater London Authority and the current **Mayor of London**, Boris Johnson, failed to spend its £1.6 million Gypsy and Traveller site budget on building more sites.

Because of this failure, the **London Assembly** housing committee sent a [letter](#) to Boris Johnson, to call on the mayor to learn from 'innovative work' in places like Leeds and Kent to help provide suitable sites for Gypsy and Traveller communities.

You cannot vote if you haven't registered before 18th April 2016!
